

Message from Gordon Dewar to members of the Royal Philosophical Society of Glasgow –following his talk on the 20th January 2016.

Dear Members of the Royal Philosophical Society of Glasgow, thank you so much for your warm welcome and enthusiasm and interest for my talk on a cold Wednesday evening in January. I left feeling very uplifted by your interest and appreciation of the topics and stimulated by the direction that your questions took the conversation.

Thank you also for your interest in my fundraising activities for the Prince and Princess of Wales Hospice in Glasgow where I am sure many of you will be very aware of the great work that they do. I hope the following links are of some interest or amusement.

1. The link to my JustGiving page....any contributions hugely appreciated and a little more info on what it's all about. <https://www.justgiving.com/Gordon-DewarNotSoStrictly/>
2. The link to my auction site where I hope you may find something of interest (or even better have a donation I could auction?) <https://galabid.com/auction/gordonstrictly>
3. Finally my 'ritual humiliation' video where I hope people will find my discomfort inspires them to a donation....£5 per chuckle please! <https://www.youtube.com/watch?v=LqNO9CEJ-CA>

For any questions regarding this or if I can help on matters airport you can get me at gordon_dewar@edinburghairport.com

Many thanks in anticipation of your support where the competition is a combination of dancing and fundraising.....I need to win the fundraising! (see video for irrefutable evidence of this statement).
